<b>Understand that everyone is unique and special</b>	<b>How Babies Grow</b>	I understand that in animals and humans lots of changes happen between conception and growing up, and that usually it is the female who has the baby	I can express how I feel when I see babies or baby animals
<b>Can express how they feel when change happens</b>	<b>Babies</b>	I understand how babies grow and develop in the mother's uterus I understand what a baby needs to live and grow	I can express how I might feel if I had a new baby in my family
<b>Understand and respect the changes that they see in themselves</b>	<b>Outside Body Changes</b>	I understand that boys' and girls' bodies need to change so that when they grow up their bodies can make babies I can identify how boys' and girls' bodies change on the outside during this growing up process	I recognise how I feel about these changes happening to me and know how to cope with those feelings
<b>Understand and respect the changes that they see in other people</b>	<b>Inside Body Changes</b>	I can identify how boys' and girls' bodies change on the inside during the growing up process and can tell you why these changes are necessary so that their bodies can make babies when they grow up	I recognise how I feel about these changes happening to me and know how to cope with these feelings
<b>Know who to ask for help if they are worried about change</b>	<b>Family Stereotypes</b>	I can start to recognise stereotypical ideas I might have about parenting and family roles	I can express how I feel when my ideas are challenged and might be willing to change my ideas sometimes
<b>Are looking forward to change</b>	<b>Looking Ahead</b>	I can identify what I am looking forward to when I am in Year 4	I can start to think about changes I will make when I am in Year 4 and know how to go about this
