Year 3 Ogwen Valley

For their educational visit this half term, Year 3 visited the Ogwen Valley in Wales to see a real life mountain. Despite the long 2-and-a-half-hour drive to reach the mountain, the children were raring with energy to climb to the foot of the mountain. They worked really hard to tackle the rocky path despite the wind and drizzle we experienced at times. When we reached the foot, the children were able to take in all the sights of nearby mountains and point out the physical features of the mountain. They had such a great day exploring everything to do with mountains!

Sports Day

Thank you to all our parents, carers, family and friends who came to support and make this years Sports Day memorable and fun for all the children. All the children did exceptionally well and really enjoyed their afternoon. The children competed in various events such as; sprints, hurdles, javelin, golf and football to name a few. Captain Webb certainly have many budding athletes!

Year 5

If any of our current year 5 children would like to go to France next year, please can they notify Miss Hill or Miss Weston via dojo or bring back the slip form as soon as possible so we can have an idea of numbers. Thank you.
